IMPERIAL POTENTATE/DESERT COMMENTS:

Membership is, and shall always remain, the most important commodity of the Imperial Council. Without the infusion of new or reclaimed members, our effectiveness as a viable Black Fraternal Order faces the formidable challenge of mediocrity, if not extinction. So Nobles let's all do our part by RECLAIMING A DELINQUENT NOBLE AND/OR RECRUITING A NEW MEMBER THIS YEAR.

Sometime we are so busy adding up our troubles that we forget to count our blessings. We want you to know that while you are ill you are thought of often and Prayed for faithfully. It is a blessing to Pray for your fellow man, because the most valuable antiques are old friends. Pray and trust in the Lord at all times...pour out your hearts to him, for God is our refuge and a bridge over trouble waters.

If there are other nobles out there that are sick please inform your Area Chairman.

-- Nobles, remember our sick and shut-in, by visiting, calling, sending cards and praying: "A friend is what the heart needs all of the time" and don't forget to count your blessings. Because in this troubled world it's refreshing to find someone who still takes the time to be kind. Someone who's ready by thought, word or deed to reach out a hand in the hour of need.
